INDEX

JANUARY through JUNE

1967

SCIENTIFIC, ENGINEERING, TECHNICAL MANPOWER COMMENTS is a monthly news summary of current developments, affecting the recruitment, training and utilization of scientific, engineering, and technical manpower. It is published eleven times a year by the Scientific Manpower Commission and the Engineering Manpower Commission.

Subscriptions are available at \$6.00 per year from the Scientific Manpower Commission, 2101 Constitution Avenue, N. W., Washington, D. C. 20418.

Betty Vetter - Editor

The Scientific Manpower Commission and the Engineering Manpower Commission of the Engineers Joint Council are non-profit corporations made up of Commissioners representing their member scientific and engineering societies.

The Commissions are charged with the collection, analysis, and dissemination of reliable information pertaining to the manpower resources of the United States in the fields of science, engineering, and technology; promotion of the best possible programs of education and training of potential scientists, engineers and technicians; and development of policies of utilization of scientific, engineering, and technological manpower by educational institutions, industry, and government for optimum benefit to the nation.

MEMBER SOCIETIES OF SMC

American Association for the Advancement of Science
American Astronomical Society
American Chemical Society
American Geological Institute
American Institute of Biological Sciences
American Institute of Chemists
American Institute of Physics
American Psychological Association
Conference Board of the Mathematical Sciences
Federation of American Societies for Experimental Biology
Policy Committee for Scientific Agricultural Societies

MEMBER SOCIETIES OF EMC

American Society of Civil Engineers
American Institute of Mining, Metallurgical and Petroleum Engineers
American Society of Mechanical Engineers
American Water Works Association
Institute of Electrical and Electronics Engineers
American Society for Engineering Education
American Society for Heating, Refrigerating & Air-Conditioning Engineers
American Society of Agricultural Engineers
American Institute of Chemical Engineers
Society of American Military Engineers
American Institute of Industrial Engineers
American Institute of Consulting Engineers
American Society for Metals
American Institute of Plant Engineers
American Association of Cost Engineers
National Institute of Ceramic Engineers
Society of Women Engineers
Society of Fire Protection Engineers
Instrument Society of America
American Society for Quality Control
Consulting Engineers Council
Society for Non-Destructive Testing
